PARTNER
FOR OVER
65 YEARS**

BAYCOM A LIFELINE IN THE MOMENTS THAT MATTER

Confidence. Convenience. Complete Solutions.

BAYCOM has been making complex technologies easy for over 65 years. **We are a single source for the best rugged and reliable products with a complete understanding of the entire squad environment. Our expertise with the latest technology has made BAYCOM a trusted partner of public safety and industries of every size and scale.**

BAYCOM is a premier supplier and network provider for the latest data, communications and video technology. All industries require comprehensive solutions that work effectively, each and every time. Every second is crucial. When issues do arise, BAYCOM has expert IT, electronics and installation technicians on staff to quickly resolve them.

THE BAYCOM DIFFERENCE

BAYCOM has been in business since 1956 and is a public safety company that provides equipment and service for mobile data computers, in-car and body-worn video, Motorola Solutions two-way radios, equipment mounting solutions and full squad car changeovers. We understand how all of this equipment works together, and we will be here when you need us. Our stability, experience and expertise has made us an ally for thousands of cities, counties and state law enforcement agencies throughout the United States.

A TRUSTED TECHNOLOGY PROVIDER

BAYCOM prides itself on providing only the most reliable equipment and solutions. Our team of experts research and field-test all of the latest equipment and choose to deliver only the best to our customers. We partner with the best manufacturers to provide proven technology that is easy to use and will provide our customers with the highest return on their investment. We understand that with ever-shrinking budgets, public safety agencies and businesses must get the most out of every dollar spent.

For applications, BAYCOM recommends **Panasonic TOUGHBOOK® tablets and handhelds, Panasonic iPro in-car and body-worn video products, Brother mobile printers, Sierra Wireless and CradlePoint modems, along with Gamber-Johnson® and Havis docking and mounting solutions.** Combined, they form a comprehensive solution that is effective, rugged and reliable.

Advantages of a Comprehensive Solution:

- The most reliable, proven technology
- Robust features that fit your needs
- Products that are easy to use
- Training, products, and support—The total package
- Guaranteed compatibility

ONE TOUCH COMMUNICATIONS

Our solutions are designed to minimize driver distractions and safety issues with one-touch, DOT-compliant communications.

ENGINEERED FOR YOUR ENVIRONMENT

We deliver clear, simple, reliable communication tools your teams need to respond to emergency situations quickly and effectively.

RUGGED SOLUTIONS

Our solutions are as tough and as mobile as your first responders and work crews, and can withstand the wind, rain, snow and temperature extremes they work in.

SCALABLE AND EXTENSIBLE

We help customers make the most of their investments by designing solutions that can be easily upgraded or scaled over time as needs change.

INTEGRATED SOLUTIONS

By combining voice, video and mobile communications, the people on your teams will have the information they need to make faster, well-informed decisions.

i-PRO TECHNOLOGY

Work with the best in-car and on-body recording technology to capture crystal clear video and audio, with easy to use storage and retrieval.

i-PRO IN-CAR

Get The Full Picture

In today's law enforcement environment, video evidence is important both in the courtroom and in the court of public opinion. The new i-PRO Americas Inc. ICV4000 360° FHD in-car digital video recording system offers industry-leading image quality for unmatched critical mobile video evidence capture. The WV-VC35 Full HD 1080p front camera delivers amazing clarity and color reproduction even in low light. The ICV4000 system supports up to four additional HD cameras, for complete 360 degree situational awareness.

i-PRO In-Car Features:

- Improved Hi-Speed Video Processor
- MP4 Video File Format
- Built-in GPS, Dual 802.11ac Wi-Fi Support, and Bluetooth 4.2LE
- Dual SSD Capability Up to 1TB with 256 AES Encryption
- Tested to MIL-STD-810H Standards
- 1080p / 720p / 360p Configurable Resolution
- Compatible with Arbitrator VC30, VC31, VC32, VC35 Cameras
- Record up to five High-resolution Cameras at the Same Time

i-PRO BODY CAM

Reliable Evidence Capture Made Easy

Built on Panasonic i-PRO's tradition of video surveillance excellence for law enforcement, the new and improved i-PRO body-worn camera with a detachable battery keeps your officers on the street. Featuring a two-piece design, the BWC4000 is IP67 / MIL-STD-810H rated to provide officers with a more reliable way to capture video and audio evidence in nearly any condition. Panasonic i-PRO's BWC4000 records in 1080P / 720P and seamlessly integrates with i-PRO's Unified Digital Evidence™ management software. The BWC4000, in unison with i-PRO's in-car video systems and fixed-surveillance cameras, forms a unified evidence management platform that preserves the chain of custody.

i-PRO Body Cam Features:

- Detachable Battery
- H.264 / H.265 Video Compression
- MP4 Video File Format
- LCD Menu for Tagging
- Rugged IP67 and MIL-STD-810H Architecture
- 1080p / 720p / 360p Resolution
- 16:9 & 4:3 Aspect Ratio
- 4 Microphones for Advanced Noise Reduction
- Compatible with Arbitrator In-Car Video System
- Built-in GPS, WLAN and Bluetooth LE

i-PRO
The Power of Truth

SOLUTIONS YOU CAN RELY ON. SUPPORT THAT HAS YOUR BACK.

Whether responding to an emergency or working in unpredictable places, the last thing your teams need to worry about is their ability to communicate with each other.

Here at BAYCOM, we deliver rugged, hands-free, purpose-built communication systems that withstand the elements, deliver crystal-clear audio, and are designed to work reliably in any building or environment. By combining best-in-class products with world-class engineering, support, and training, BAYCOM provides a truly end-to-end solution that keeps your mission-critical operations going.

We are your lifeline in the moments that matter.
